For a more complete story on your wedding day...

Package 1: €1290

Ceremony & Photoshoot, Speeches and 1st Dance

Great reminders of that moment when dad had a tear in his eye, that 'close to the bone' best mans speech, the champagne toasts...

After the ceremony it's a perfect chance for fun photos and candid moments of your family and friends in a relaxed atmosphere.

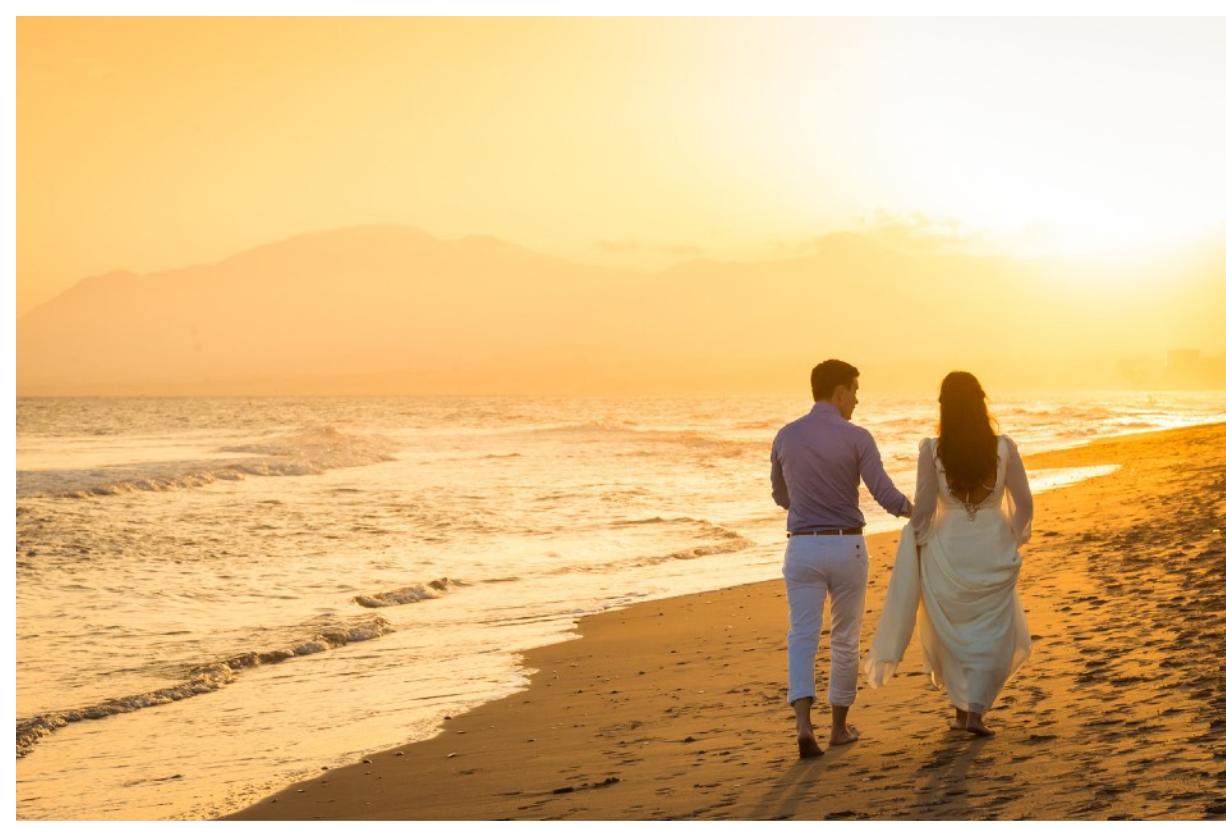

Package 2: €1040

Getting Ready, Ceremony and Photoshoot

I'll be there with plenty of time before the ceremony to capture the unique mix of anxiety, emotions, tension, fun, friendship and family that is unique to the build up on a wedding day. This package also includes the ceremony and photoshoot afterwards.

The price quoted is for the bride or groom. When both are staying at the same hotel/venue it's also possible to get photos of both.

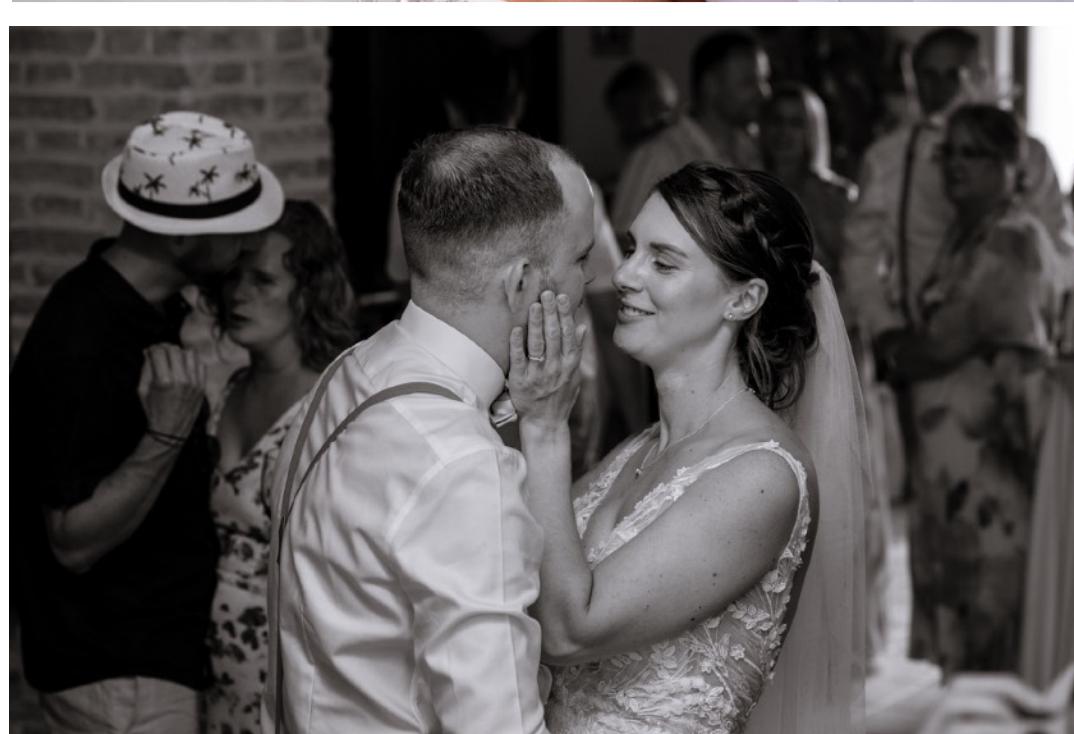

Package 3: €1590

Getting Ready, Ceremony & Photoshoot, Speeches and 1st Dance

A more complete storyline of the day, encompassing everything from the preparations through until the 1st dance.

This also gives a chance to get photos of family and friends (usually the bridal party) in a relaxed atmosphere before the main celebrations begin.

Package 4: €1590

Ceremony & Photoshoot, Speeches, 1st Dance and 30 minutes of the Party!

Starting with the ceremony, this package runs through into the start of the entertainment and party action.

Friends and family at probably their most relaxed! When the party starts I'll be there in the thick of it.

Package 5: €1990

The whole day! My services for Getting Ready, Ceremony & Photoshoot, Speeches, 1st Dance and the lots of partying!
Includes a hardback Photobook!

An early start for the getting ready photos through till the late hours to capture lots of the entertainment and party action.

This includes everything that is included in any of the above packages.

Package 5 + Videographer (8hrs coverage): from €3500*

Package 5 with 2 photographers: from €3500*

As well as knowing that every moment will be captured on camera, this allows time and flexibility for us photographers to let our creative juices flow and put everything into capturing those special dramatic images!

More time and opportunities to create some stunning wedding portraits, both classic and creative.

Ideal for covering the preparations where the bride and groom are in different locations, and offers a wider scope to cover even more interactions with your family and friends for staged photos and candid moments.
